Dear Parent/Guardian

Year 11 Parents' Evening

We would like to invite you to make a Parents' Evening appointment to discuss your child's progress with their subject teachers on Wednesday 19 January 2022.

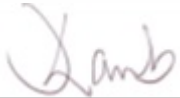

Appointments will take place via telephone from 4.00pm - 6.30pm and can be made via the online booking system (the link for this has been shared separately via text).

There will be an opportunity for you to discuss your son/daughter's progress in their subjects and how they can improve their performance, as well as attendance, attitude to learning and homework.

Please follow the link in the text message we have sent you which will enable you to make a telephone appointment for your child. The system will ask you to book an appointment for each subject. The teacher will call you on the evening at the designated time for a 5-minute conversation. Please be aware that the number will show up as a withheld number.

Please try to book your appointment as soon as possible to ensure a convenient time.

Yours faithfully
