Why have a uniform?

At Bedlington Academy, we are proud to have a uniform that is practical and smart. We believe that a high standard in school uniform is important because it:

- instils pride and a sense of belonging in the students and the wider community
- encourages identity with, and support for, our school ethos
- protects children from social pressures to dress in a particular way
- nurtures cohesion and promotes good relations between different groups of students

We would like to thank all parents for their help in maintaining our uniform standards and ask for your support in our continued drive for consistency.
